Event Overview

City2Surf is the world's largest and best fun run. For 14km, your team will take in scintillating views as you make your way from Sydney's Hyde Park to the world-famous Bondi Beach.

City2Surf caters to all levels of fitness. Whether your participants prefer to race marathons or enjoy a leisurely Sunday morning stroll, this event is for you!

This year City2Surf is aiming to raise \$3.5 million dollars for charity.

Since fundraising was first recorded in 2008, \$50 million+ has been raised. City2Surf runners have helped charities achieve medical research breakthroughs, protect our animals and support Australians in need. With over 300 Australian charities signed up to the event, there is a cause for everyone.

Now is the time to bring your team together - have fun, get moving and be a part of something bigger than you by raising money for a charity close to your collective heart.
